PREFACE

This book, *Integrated English: Learn, Practice, and Communicate*, is designed to help learners build a strong foundation in English through simple, practical, and interactive activities. It focuses on everyday communication and integrates the four key skills—listening, speaking, reading, and writing—in a balanced way.

The chapters cover essential topics such as introductions, daily routines, jobs, shopping, free time, and hobbies. Each chapter provides vocabulary, grammar explanations, listening tasks, speaking practice, reading passages, and writing exercises to support step-by-step learning. The activities are structured to encourage learners to use English actively, both inside and outside the classroom.

This book is intended for learners who wish to improve their confidence in using English for real-life communication. It can be used in classrooms with teacher guidance or for self-study. By practicing the language in meaningful contexts, learners will develop the ability to communicate clearly and naturally.

The author would like to express her sincere gratitude to all colleagues and students who contributed ideas and feedback during the preparation of this book. She hopes that this book will inspire learners to enjoy studying English and to see it as a valuable tool for connecting with people around the world.

The Writer
Desi Puspitasari, S.S., M.Pd.

ABOUT THE AUTHOR

Desi Puspitasari, S.S., M.Pd. is a lecturer at Universitas Trunojoyo Madura, where she teaches in the English Study Program. She has a strong interest in English language teaching and literature, especially in helping beginner learners develop their language skills. In addition to teaching, she is actively involved in preparing communicative and practical learning materials to support students in improving their English step by step. This book reflects her commitment to promoting integrated English learning that is simple, accessible, and relevant to everyday life.
