- iv. Every person who fulfills the elements as intended in paragraph (3) and commits it in the form of piracy, shall be punished with a maximum imprisonment of 10 (ten) years and/or a maximum fine of IDR 4,000,000,000.00 (four billion rupiah).

PREFACE

Why This Book

Preparing for the TOEFL test can be overwhelming—especially when it comes to the Structure and Written Expression section. Many students find grammar confusing, full of exceptions, and difficult to master under time pressure. Yet, understanding grammar is the key to unlocking the logic of English and improving all areas of your TOEFL performance.

This book was written to help you see grammar not as a burden, but as a system that makes sense. Drawing from more than a decade of experience teaching TOEFL grammar to university students, I created this book to make learning both clear and enjoyable. Every chapter is designed to explain patterns, not just rules—because once you understand the pattern, you can face any question confidently.

How to Use This Book Effectively

This book is structured to guide you step by step from basic understanding to advanced mastery. Each chapter is divided into short, focused sections that follow a consistent flow:

- ✧ **Warm-Up** — introduces the topic with examples and a short quiz to activate your prior knowledge.
- ✧ **Explanation** — presents the grammar rule clearly, with real TOEFL examples.
- ✧ **Strategy Tips** — shows how the rule appears in TOEFL questions and how to avoid common traps.

- ✧ **Practice** — provides targeted exercises to reinforce what you've learned.
- ✧ **Quick Review & Reflection** — summarizes key points to make sure you truly understand before moving on.

You can study the book from start to finish, or jump directly to topics where you feel less confident. Each chapter stands alone, yet together they form a complete system to help you master TOEFL grammar efficiently.

Study Tips for TOEFL Grammar Success

To get the most out of this book, keep these strategies in mind:

- ✧ Study regularly, even in short sessions. Consistency beats cramming.
- ✧ Understand the logic, not just the rule. Grammar is about meaning and connection.
- ✧ Analyze your mistakes — each error is a clue to a pattern you can learn.
- ✧ Simulate real test conditions with the mini mock test in Chapter 8.
- ✧ Combine grammar study with reading and listening, as grammar naturally appears in all parts of the TOEFL.

Remember: every correct answer starts with clear thinking. Grammar is not just about memorizing forms — it's about understanding how English works. Once you unlock that, the TOEFL becomes much easier to handle.

A Note to the Reader

This book was written for students like you — curious, hardworking, and ready to grow. You don't need to be perfect; you just need to start. Every page is designed to help you learn smarter, not harder.

Whether you study in a classroom, on your own, or online, I hope the TOEFL Key series, **TOEFL Key: Unlocking Structure & Written Expression** becomes your trusted companion on the journey to your dream score.

Good luck — and enjoy unlocking your TOEFL success!
